Spectrum Empowerments's Monthly Newsletter

Our STEAM Event

New developments await as we prepare to elevate the STEAM event experience with the introduction of Lego Spike Prime sets! Building on the overwhelming popularity of these kits, we're delighted to announce our investment in several new iPads and kits, offering a truly exciting experience for every participant. We have multiple volunteers for every station as well!

Our Sports Event

Within our sports programs, we cultivate a nurturing environment for growth, interaction, and achievement. These initiatives are profoundly enriching our community in myriad ways. In line with our dedication to inclusivity and customized development, we're provide beach balls for younger participants. This addition not only improves their ball control and observation skills but also injects an element of enjoyment into their sports experience. We also provide snack breaks for kids!

First Lego League

Every weekend we host a team meeting for our Fll team which is a group of students who work together to build ideas that they come up with. All of this will be judged in Competitions where the teams will be provided feedback to make their design better. If this interests you, stay tuned until next season!

THIS MONTH'S EVENTS

Exciting News

We are so excited to announce our victory at our FLL National tournament that took place in Houston. Our team did a wonderful job sharing their work and creation and we are so so proud of them. They expressed amazing teamwork, dedication, and focus. With these unique skills, they were able to win two fantastic awards! They got recognized for their gracious professionalism and the best core values. Way to go Super Spikes!

Spotlight Story

By: Soujanya , Spectrum Empowerment Parent

Since my child started attending events organized by this organization, I've witnessed nothing but pure joy on his face. It warms my heart to see him laughing and excited, fully immersed in the activities provided. I appreciate the effort put into offering a variety of experiences so that every child can find something they enjoy.

Initially, when my kid first attended, he seemed nervous and hesitant, unfamiliar with the new surroundings and the new people. But as the event progressed, I could see him gradually becoming more at ease, embracing the welcoming atmosphere. It's touching to witness them making new friends and forming connections with both other children and the volunteers.

As time goes on, I really noticed the change in his personality and the way he talks to new people, makes eye contact, and overall is more confident. His teachers and friends would tell me how he would always talk about his FLL tournament and how he was super excited for it. I am so grateful for Spectrum Empowerment and how they allow every kid to be themselves and make it fun!

As a parent, I'm grateful for the opportunity my child has had to participate in Spectrum Empowerment's activities. It's been an incredible journey, and I can see firsthand the positive impact it's had on my child's confidence and sense of belonging. I love this organization and can't wait for their next events.

Thanking our Sponsors

We deeply appreciate our sponsor **Cincy Sammys and Kaizen Dental** for their unwavering support of Spectrum Empowerment's mission.

Your generous sponsorship not only strengthens our organization but also amplifies the positive impact we aim to achieve in promoting autism acceptance and empowerment.
